Dear Marie

Council is pleased to have been able to provide the people of Broulee with the new skate park off Heath Street. I congratulate the community on their initiative in raising funds which, together with the allocation of Council funds and the successful pursuit of grant funding under the Australian Government's Community Infrastructure Program, has resulted in the construction of this great asset.

We are currently awaiting the delivery of a new swing set and this will be installed as soon as it arrives (anticipated to occur in August 2009).

I hope the young people in the Broulee area enjoy this brand new facility and we thank you sincerely for your efforts on behalf of the community.

Yours faithfully

Fergus Thomson  
**Mayor**
